### **What time may I have my reception from?**

Your reception room hire begins once your Pre-Dinner Drinks have commenced. The length of time you are in the reception room is determined by the room hire included in your wedding package. Should you wish to extend the room hire, the fee is \$500.00 per hour (or part thereof) and is required to be pre-arranged. Additional charges for DJ extension and beverages also apply. Please note curfews do apply on some rooms due to proximity to accommodation.

### **How do my guests access the reception room?**

Upon guests' arrival to the hotel, our reception staff will give directions to the function. If guests have time to wait before the function commences, they are more than welcome to wait in the Barracks Bar or Courtyard until Pre-Dinner Drinks commence. An Event Coordinator will advise guests of when this is and direct them to the reception room. Once

Pre-Dinner Drinks have ended our friendly staff will invite guests into the room and direct them to their table.

### **Is there anywhere for my guests to go between the ceremony and reception?**

After the ceremony an Event Coordinator will direct the guests to the Barracks Bar (located opposite reception) where the guests can purchase beverages and light snacks as well as enjoy a game of pool or darts. When the Pre-Dinner Drinks are about to commence, the guests will be reminded where the reception room is by one of our staff.

### **I have booked a ceremony by the Lakeside - what happens if it rains?**

If it was to rain by the Lakeside, the first preference would be to move your ceremony to the Chapel, however if the Chapel is unavailable, we would organise for an undercover space to be used for your ceremony. This option will vary depending on availability but will be discussed with your Event Coordinator prior to the

wedding date. Please note – the decision will be made at the hotel's discretion.

### **Can I have my Pre-Dinner Drinks by the Lakeside?**

It is possible to have Pre-Dinner Drinks by the Lakeside (dependent on availability) but there is a labour charge of \$550.00.

### **Is there a curfew on any of the reception rooms?**

Due to the close proximity to accommodation rooms, functions in The Gazebo must conclude no later than 10.00pm and functions in the Windsor, Richmond and Lachlan Macquarie Rooms must conclude no later than 11:00pm. Once functions are finished guests are welcome to head to the Barracks Bar if they wish. (Conditions Apply).

### **We wish to go ahead with our booking - what do we do next?**

Once you advise that you wish to confirm your event with us, your Event Coordinator will send you a custom wedding contract. A signed copy of this along with a 20% deposit (50% if booking is within 6 months) of your estimated total is due within 14 days to confirm your booking. The space will be tentatively held for you during this 14 day period.

### **Do you have minimum spend or minimum numbers?**

We do not have minimum spend requirements however the minimum numbers for the Windsor Room, Richmond Room, Governor Phillip Ballroom and Gazebo are 70 Adults and the Lachlan Macquarie Room is 40 Adults. Additional charges apply if minimum numbers are not reached.

### **When can I come in and see the function rooms?**

Ideally, if you can contact our Events Coordinator to organise a time which is mutually suitable.

### **When can I set up my place cards, centrepieces, etc?**

There is no need to worry about finding time to set the room as your Event Coordinator will be more than happy to set up your standard wedding items. All items are to be given to your Coordinator at least 3 days prior to the wedding.
